

MANHATTAN COLLEGE
DEPARTMENT OF MECHANICAL ENGINEERING
VISITING ASSISTANT PROFESSOR POSITION

The Department of Mechanical Engineering at Manhattan College invites applicants for a full-time non-tenure-track position at the visiting assistant professor level, starting as early as Fall 2020. A Ph.D. in Mechanical Engineering or a related field is required. The applicant must be able to teach both undergraduate and graduate courses, focusing primarily in the solid mechanics/machine design/systems engineering fields, and participate in service. Engagement in scholarly activities and industrial experience will be positive attributes but not required for this position.

Manhattan College is an independent Catholic institution of higher learning that embraces qualified women and men of all faiths, races, and ethnic backgrounds. Established in 1853, the College is founded upon the Lasallian Catholic tradition of excellence in teaching, respect for individual dignity, and commitment to social justice inspired by the innovator of modern pedagogy, St. John Baptiste de La Salle.

Please send a resume (including a list of publications), a statement of academic interest, and the names and contact information for at least three references by December 15, 2019.

Manhattan College is an independent Catholic coeducational institution in the Lasallian tradition. We expect our faculty, administration, and staff to be knowledgeable about our mission and to make a positive contribution to the mission. Applicants from historically under-represented segments of the population are encouraged to apply, as well as those attracted to a college with a Catholic identity. We are committed to a diverse campus community. AA/EO Employer M/F/D/V.
