

OPEN FACULTY POSITION

Department of Mechanical Engineering

California State University, Los Angeles (Cal State LA) is one of 23 campuses within the California State University system. The University is the premier comprehensive public university in the heart of Los Angeles. Cal State LA is ranked number one in the U.S. for the upward mobility of its students, and is dedicated to engagement, service, and the public good. We offer nationally recognized programs in science, the arts, business, criminal justice, engineering, nursing, education, ethnic studies, and the humanities. Our faculty have a strong commitment to scholarship, research, creative pursuits, community engagement, and service.

Our 240,000 alumni reflect the City and County's dynamic mix of populations. The University has one of the most diverse student populations of any college or university in the nation. As a federally recognized Hispanic-Serving Institution, and Asian-American, Native American, and Pacific Islander-Serving Institution, Cal State LA recognizes the transformative power of education and embraces its duty to identify and serve the needs of all of its students. The University is committed to creating a community in which a diverse population can live, work and learn in an atmosphere of civility and respect for the rights and sensibilities of each individual.

Assistant Professor

*Full-Time, Tenure-Track Position,
Mechanical Engineering*

Minimum Qualifications:

- An earned doctorate (Ph.D.) in Mechanical Engineering, Aerospace Engineering, or other closely-related engineering discipline from an accredited institution (or equivalent) is required; however, applicants nearing completion of the doctorate (ABD) may be considered. For appointment, the doctorate must be completed by the date of appointment (8/20/2020).
- Expertise in at least one of the following areas: Aerospace Engineering, Controls, Dynamics or Kinematics, Fluid and Thermal Sciences, Materials Science, and Solid Mechanics.
- Evidence of successful teaching or mentoring experience at the undergraduate level.
- Evidence of relevant scholarly publications.

Preferred Qualifications:

- Evidence of successful teaching or mentoring experience at the graduate level.
- Evidence of successful experience generating financial resources through grants/contracts.
- Industry and/or post-doctoral experience.
